2010 Census Form - www.2010.census.gov

"We Can't Move Forward Until You Mail It Back" You should be receiving your census form in the mail soon!

When you fill out the census form, you're making a statement about what resources your community needs going forward.

Accurate data reflecting changes in your community are crucial in apportioning seats in the U.S. House of Representatives and deciding how more than \$400 billion per year is allocated for projects like new hospitals and schools.

That's more than \$4 trillion over a 10-year period for things like new roads and schools, and services like job training centers.

BREATH TAKING HYPOCRISY

At least 116 Republican governors, senators, and representatives have spent the past year railing against the Recovery Act, while simultaneously requesting funds to create jobs in their districts and taking credit for projects at ribbon-cutting ceremonies. They know the Recovery Act is creating jobs, but they think attacking it will bring them victory in the 2010 elections. www.democrats.org

MI SUPREME COURT JUSTICE ROBERT YOUNG: ENEMY OF WORKERS AND CONSUMERS

Justice Robert Young is up for re-election in 2010, and he has racked up a long list of decisions and votes that make his record clear. A former insurance company lawyer, Young is an activist judge who uses his position on the Supreme Court to push his anti-worker, anti-civil rights and anti-consumer agenda, ruling for insurance companies and corporations 80% of the time. We need to send him a wake-up call in 2010 - go to www.michigandems.com to learn more.

71st DISTRICT DEMOCRATIC CANDIDATE DEBATE

Senate Dems Call for Action on Unemployment Assistance as Benefits Set to Run Out

Unemployment modernization would extend benefits for Michigan workers who pursue training

As the end of the federally-funded Emergency Unemployment Compensation Program draws near, Senate Democrats are calling for action on legislation that would modernize Michigan's unemployment system and provide relief for workers still unable to find jobs. Without action in Washington, the federal assistance program is set to expire on February 28, 2010. www.senate.mi.gov
